WINE OF THE WEEK

FINCA WOLFFER

ESTATE RED

Malbec

2018

Tasting Notes:

The juice of these grapes make their way via air from Argentina to Long Island, NY. Arriving at the winery it is made into this mouth-watering wine. A bouquet of strawberries and orange aroma accompanied by cherry, blackberry, and cassis in a whirl of flavors that hit the dance floor of your taste buds, followed by a grande finale of orange peel zest! A medium bodied wine with the fruit of a delightful whispering breeze of summer berry garden, this wine is vibrant and zippy with a lot of pazazz! Savory appetizers and soft cheeses make a wonderful pairing that will be the beginning of any Food Folly Venture!

Makers's Mark Wood Finishing Series
2021 RELEASE

Their third limited release from the Maker's Mark® Wood Finishing Series joins their previous years' expressions in honoring our signature bourbon – this time, amplifying the naturally present dried fruit and woody richness in a distinctively Maker's® way. We like to say it tastes exactly how our barrel warehouse smells, with rich figgy notes complemented by tobacco undertones and a pleasantly dank woodiness. Unlike the lingering finish, the bottles won't stay long on shelves, so ask your local retailer about availability near you.
